Parents Club is a forum for parents/carers of students to discuss issues concerning the welfare and the general education policy of the school and to assist in the development of a shared parent view. It is an important link between parents and the school council and between the principal and parents.

Parents Club also, with the approval of school council, acts as a fundraising body. We welcome participation from all parents and carers.

Meetings occur monthly and usually last about two hours. Meetings are usually held on a Friday morning in the Community Room. Advance notice of the dates for meetings is given in the school newsletter and Facebook page.

The school and the Parents Club work together to stage regular fundraising events throughout the year. These fundraisers provide a great opportunity for parents and carers to become involved as volunteers. Our two biggest fundraising events are –

Mirboo North Art Show

The Art Show is organised by a sub-committee of Parents Club. It is the school’s major fundraiser and takes place over the Mothers’ Day weekend each year. The Art Show features work from artists both local and state-wide. The Primary School children are also involved in producing fabulous artwork which is auctioned on the opening night of the show.
Fun Day

Fun Day, our second biggest fundraiser, is our version of a fete and takes place during the last term. Each grade organises a special activity – mystery jars, coffee shop, dress-ups, etc. There are usually jumping castles and other activities run by the Parents Club. Fun Day is held on a school day and the food, activities and stalls are all open to the general public.

Some handy hints….

Uniforms

Each term the school collects cupboard loads of unlabelled uniforms. These are placed in the corridor to give people a chance to reclaim lost items. Those that are not claimed are taken to the local Op Shop. Advance notice of this is given in the newsletter. Iron on school logos are available for purchase from the school office.

New parents morning tea

Please come along to the new parents’ morning tea which takes place in the staffroom on the first day of the preps’ attendance at school (we provide the tissues!!).

Office Bearers 2015

Nat Jones (President)
Cath Bessell-Browne (Vice-President)
Tenielle Nowaki (Secretary)
Ruth Rogan (Treasurer)
